

To: Northern Sierra Air Quality Management District Board of Directors

From: Mikki Battaglia, Targeted Airshed Grant Specialist

Date: August 25, 2025

Agenda Item Number: VI.F

Description: 2018 and 2020 Targeted Airshed Grant programs

Information:

This a summary of 2Q25 targeted airshed grant funding and activities

2018 funds remaining: \$828,019.66

Drawn down: \$177,127.90

2020 funds remaining: \$2,310,308.03

Drawn down: \$24,742.88

Total number of devices changed in the second quarter was 14. 43 chimney sweep vouchers were redeemed. We funded the “free month of June” green waste event for city residents and delivered 32 curbside green waste bins. Staff attended the Plumas County Fire Safe Council Children’s and Wildfire Preparedness fair in May, hosted the City of Portola Firewise meeting in June, and provided grant updates at each city council meeting for the city of Portola.

Quarter two we ran our firewood program to residents predominantly within the city limits. This program delivered two cords of firewood to 48 residents.
